Buses

We will have new school buses this year. We need your help! The new buses have 14 seats less than our old buses. *We are looking for families who can commit to bring their students to school and pick them up daily or work with families in your neighborhood to start a carpool. If you are unable to do that, but would be interested in your student riding public transportation, KIPP Adelante will pay for a Compass Card.* If you are able to bring your student, can figure out a carpool, or are interested in a Compass Card, please call us at **(619) 233-3242** so that we can plan accordingly.
